

Sample Transfer Plan

Area of Focus: **Anthropology**

Associate in Arts (AA) transfer degree

This Sample Transfer Plan is for students intending to major in Anthropology after transfer, but who have not selected a transfer institution. Students who have a specific transfer school in mind should work with BHC and transfer school advisors to ensure the transfer school's requirements are met.

The Anthropology area of focus provides a broad perspective on the human condition and skills that are essential for any educated person. Students will learn the evolution of the human species and the various cultural institutions it has developed. Students will also study the methodologies employed by anthropologists and archaeologists to study human evolution and human culture. Students who complete a Bachelor's degree in anthropology are well suited for a career in any number of fields such as education, health care, museum curation, social work, community and international development, government, non-profit management, marketing, publishing, and forensics. Work may include projects at anthropological sites in this country or in exotic places around the globe.

Degree Timeframe:

- Students who complete an average of 15 college-level credits in four consecutive fall and spring semesters could complete the degree in two years. Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments. Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.
- Students transferring before completing the associate degree should discuss [Reverse Transfer](#) with their BHC advisor. Black Hawk College will evaluate your college or university work to determine if those credits will fulfill the remaining requirements of the associate's degree.

Advising Notes:

- See the current [BHC Catalog](#) for all IAI course codes, course descriptions, pre-requisite information, and complete graduation requirements to earn the degree. The area of focus is not stated on student transcripts.
- This guide is not a substitute for advising. All students are encouraged to connect with their assigned BHC advisor each semester.
